

Online Contributions

The Finance Committee would like to announce to the congregation that we welcome online contributions using your own banks online bill payment system. Several members of the congregation have set up online bill payment with their bank which allows them to send checks from their account to addresses that they set up in their account. Many have also started scheduling their contributions to St. Johns in this way. There is no charge to the church for these payments and to do it, if you have online payments already, just address the payment to the following:

St John's Episcopal Church
600 Ferry St.
Lafayette, IN 47901-1142

In any online payment there is a request for the account number. In this line, simply put the objective for your payment. For example "2008 pledge", or "Flower Fund" or "Disaster Relief". Your name will be on the check that is sent to St. John's and you will be credited for the payment.

If you do not have online payment set up at your bank you can do so for all of your bills. Most banks have a monthly fee of about \$5-7. We hope that the availability of this service will help members of the congregation that would like to schedule payments in advance, or allow members who have not been able to come to the church or who are out of town, continue to make their pledge payments.
